Child Protection Guidelines

Dear Visitor!

These rules on behavior towards children are directed to all people who visit the S.C.A.O. installations and have to be followed by everyone. They are part of the implementation program of the Organization's Child Protection Policy and aim the safety and well-being of all children participating in activities of S.C.A.O.!

No abuse, in any form, towards a child will be tolerated. Sufficient concerns about a visitor's behavior with children will result in referral to relevant authorities!
